**No. 59**

**POWER DEPARTMENT  
GOVERNMENT OF SIKKIM  
GANGTOK**

**No. 07/CE/NODAL/REV/PD/2019-20/221**

**Dated. 26.02.2020**

**NOTIFICATION**

Whereas, in pursuance to the guidelines of National Tariff Policy 2016, the State Government hereby mandates installation of smart meters having remote reading facility for all consumer in the State having connected load/contract demand of 45 kVA and above to have their energy consumption assessed for efficient billing and monitoring of energy consumption.

And whereas, with a view to achieve the above objectives, all existing consumers having connected load/contract demand of 45 kVA and above shall replace their existing energy meter with remote sensing meters within 2 months from the date of issuance of this Notification.

Power Department, Government of Sikkim being the sole distribution licensee in the State of Sikkim, reserves the right to specify the type, make and other features of the energy meters including that of its accessories like modem etc. for purchase by the consumer so as to ensure compatibility and smooth integration with the existing metering and data recording system of the Department.

**By order and in the name of Governor.**
